

## Surbiton Church hirer of the week

**Hirer of the week: Sports 4 Stars**

**Who runs the group: Roz Clark**

**Your expertise: Teaching children to have fun with sport**

**Where does Sports 4 Stars usually meet:**

**St Mark's Hall, Church Hill Road KT6 4LS** on Friday mornings between 9.15am – 12.30pm.

**How long have you been running:** I've been teaching children for many years & been a part of St Mark's since the hall opened 7 years ago.

**What do your classes achieve:** The aim of *Sport4Stars* is to introduce children to sport in a fun, safe & positive environment & to instil in them a lifelong enthusiasm to remain active. Physical & social skills, spatial awareness, confidence and good listening are just some of the skills that your child will develop by participating in our multi-skills programme.

**Who can join:** Classes are suitable for boys and girls from 18 months to school age.

**To join now:** During the Covid-19 crisis I post on my Instagram Sport4stars2017 & on my Facebook page @Sport4stars. I post short videos of activity ideas/short sessions & other resources to help entertain the kids.

**How to join:** Any plans for resuming classes will be put in my Instagram & Facebook pages. I aim to be back teaching classes by September dependent upon Government guidance. [www.sport4stars.com](http://www.sport4stars.com)

With regards future classes I will be re assessing in a month or so but to be honest I won't realistically be able to start back until at least September (obviously depends on hall regulations as well). Any future plans will be put in my Instagram & Facebook pages.
