

Join in praying with others from our Churches,  
between 7 and 8 a.m. and 9 and 10 pm each day.

*Risen Lord, we seek your peace in our hearts, our homes and our community. Bless our silent moments, that in the stillness of our prayers we may hear your voice.*

*Heavenly Father, send your Spirit to bring healing and peace to those who are ill, afraid or in isolation, strength to those who care for them, and wisdom to our leaders.*

In the same way, the Spirit also helps us in our weakness, since we do not know how to pray as we should. But the Spirit himself intercedes for us with groans too deep for words
