Lord, the resurrection of Your Son has given us new life and renewed hope. Help us to live as new people in pursuit of the Christian ideal. Grant us wisdom to know what we must do, the will to want to do it, the courage to undertake it, the perseverance to continue to do it, and the strength to complete it.

We give thanks for the wonders of nature that are everywhere around us and for the diversity of people, animals and plants that make up our world. We pray that all people will be respectful of our planet and treat it well, making right decisions that will bless generations for years to come.

Join in praying with others from our Churches,
between 7 and 8 am and 9 and 10 pm each day.
